Dear Reviewers,

Thank you in advance for your willingness to be a reviewer in the International Seminar on Fish and Fisheries.

As the e-mail that we have sent previously, it's been **8 days** passed by the time we have allocated to review the articles. As we plan to publish the articles within this year, so we don't have much time left. Therefore, we would be appreciated if you could provide us with feedback on the review of the full paper **due to 9 September 2021**.

You can find the list of the full papers you should review and the mechanism to review in the attached files.

Please feel free to contact us by replying to this mail or WhatApps (+62-812-8714-8424) if you need any further information or anything you want to confirm.

Thank you for your kind cooperation.

Sincerely,

Prof. Dr. Endi Setiadi Kartamihardja, M.Sc - (Editor in Chief)
